## Letter from the Vice President

Well it's still hot out so I imagine a lot of us are still putting off stuff till it gets cooler, me included. I don't know of any of us that have an air conditioned, or at least a heavy duty swamp cooler for our garage. Well maybe John Chamberlin. He'd be the exception because that's his business.

At the last meeting we decided to have a club picnic at Mt. Charleston on Sunday Aug, 22<sup>nd</sup>. As usual we'll meet under the big sign at the Santa Fe casino; it's on the Rancho side, at 9:00 a.m. and then caravan up to the Lee Canyon (ski resort) side of the mountain to a camping area called Old Mill. For those of us that can't make it at 9:00a.m. you can find us at the Old Mill area. The club will provide the meat hamburgers & hot dogs and please bring your own drinks and lawn chairs. I called the Rangers/BLM office they said as of yesterday that fires were okay as long as they were in a fire pit in a camping area or a gas grill so we should be just fine. Regarding this Frank sent out an email last week on what we need. Please respond back to him or myself on that so we don't have all desserts! We'll discuss this too at the meeting. Sherri and I are doing baked beans and a cake, so we've got that covered.

I haven't heard much car gossip I guess I've been too busy. I do know John and Regina were going to attend Hot August night in Reno with his "new" motor home. I hope the trip went okay. The one thing that was a nice surprise at the last meeting was that Dave and Marcia Proffitt came kind of at the last minute and had a good visit with us. Dave decided this Spring to go "back to work" driving truck so that he can get some money put together to do his 70 Mach 1 Mustang at Indian Springs Prison. Dave and Marcia team drove for quite a few years so besides the Fire Dept. experience he's done that also. Remember next month is Super Run in Henderson. Check the Cruise News for all the stuff on that. Hope to see you at the picnic and invite any "car friends" you have. Just have them bring a dish to pass and their own drinks.

Michael
